Re: Freedom of Information Act (FOIA) Request No. 16-00258-FOIA

Dear Mr. Novak:

This decision responds to your request for the following: "All emails sent and received by Deputy Inspector General Linda A. Halliday that include the search term 'Jon Stewart' or 'Daily Show' from January 2009 to present."

Following review of the responsive documents and consideration of the controlling FOIA provisions, we decided to grant your request in part.

The FOIA directs federal agencies to publicly disclose information unless the information is protected by any of the nine statutory exemptions. We withheld information pursuant to FOIA Exemption 6, which permits a federal agency to withhold from release all information which, if disclosed, would constitute a clearly unwarranted invasion of an individual's personal privacy. 5 U.S.C. § 552 (b)(6). In the interest of protecting certain involved subjects from any unwarranted invasion of their privacy, we have withheld particular information. We do not find a public interest that outweighs the privacy interests we seek to protect.

You may appeal this decision regarding the release of information within 60 calendar days of the date of this determination by submitting a signed, written statement by mail, fax, or email. You may submit your appeal by using either of the following addresses or fax number:

U.S. Department of Veterans Affairs
Office of Inspector General
Office of the Counselor (50C)
810 Vermont Avenue, N.W.
Washington, DC 20420
VAOIGFOIA-Appeals@va.gov
(Fax) 202.495.5859

The appeal should include:

1. The name of the FOIA Officer

2. The date of the determination, if any
3. The precise subject matter of the appeal

If you choose to appeal only a portion of the determination, you must specify which part of the determination you are appealing.

The appeal should include a copy of the request and VA's response, if any. The appeal should be marked "Freedom of Information Act Appeal".

Sincerely,

A handwritten signature in black ink, appearing to be "Darryl Joe", written over a horizontal line.

Maybe we should start our conference with a little humor?

6.1 - Comedy Central (Video): The Daily Show with Jon Stewart (5 Sep, 450.5k broadcast viewers/day; New York, NY)

In 3:45 minute video quoted the President's DAV speech saying the Backlog has decreased 20%. He then reported on deaths in Pittsburgh, Buffalo, and Atlanta VA facilities, and said that these hospital managers received bonuses. He said going to a VA facility shouldn't require more courage than storming the beaches of Normandy.
